

8.9.2017. Pozivnica Veleposlanstva Kraljevine Danske u Republici Hrvatskoj

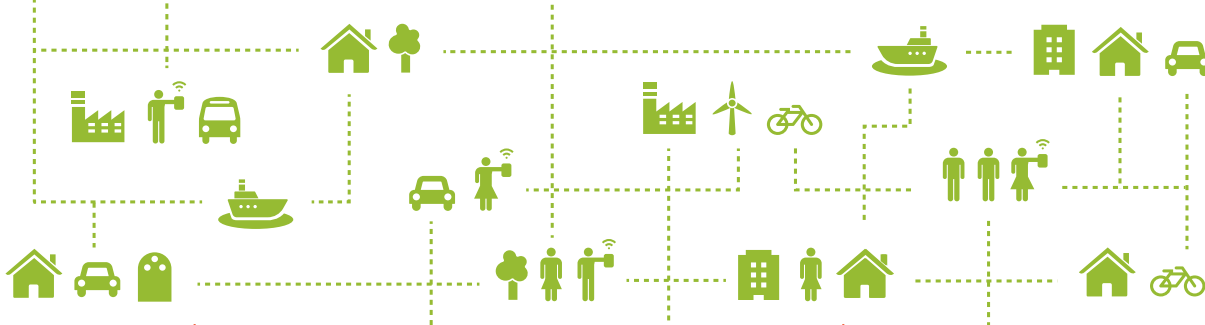

U suradnji sa Zajednicom županija, Udrugom gradova i Udrugom općina Republike Hrvatske, Veleposlanstvo Kraljevine Danske u Republici Hrvatskoj ima čast pozvati predstavnike hrvatskih županija, gradova, općina i državnih poduzeća na tematski događaj pod nazivom „Pametne jedinice lokalne samouprave i energetske učinkovite industrije“. Mjesto i vrijeme održavanja: Hotel Dubrovnik, Zagreb, 13.10.2017.

Cilj događaja je inspirirati razvoj lokalnih jedinica samouprave. U tu svrhu u Republiku Hrvatsku dolazi jedan od predvodnika pametnih gradova u Kraljevini Danskoj, gradonačelnik Albertslunda (šireg Kopenhagena), gospodin Steen Christiansen, koji će na svom primjeru pokazati najbolje smjernice uspješne lokalne jedinice samouprave s mnoštvom inovativnih rješenja: Living lab GATE21, DOLL, LOOP CITY, itd.

Čast nam potvrditi i sudjelovanje gospodina Finna Mortensena, čelnika danske krovne organizacije State of Green, koja na nacionalnoj razini promiče zelenu tranziciju kroz sve sektore društva.

Program događaja sastoji se od tematskih panel diskusija hrvatskih i danskih predstavnika lokalnih jedinica samouprave, vodećih poduzeća u pametnim rješenjima, energetske agencije i HBOR-a, primjera iz prakse i razmjene iskustava. Detaljni program možete pronaći [ovdje](#).

Ulaz besplatan (ograničen broj mjesta) uz obveznu prethodnu registraciju na www.urbandanish.solutions.
